

Name: _____

Year 9 Home Group Course Counselling (Year 10 2023) Course Counselling Day – Thursday 28th July

Over the next couple of weeks you will be asked to select the courses which you will do in **Year 10**. By completing this sheet it is hoped this will help you to think about your options for next year.

Name five careers/jobs which you would like to do when you have finished school:

Name your favourite subjects at school: _____

Name subjects which you excel at: _____

Important things to consider when choosing subjects:

- Make yourself familiar with the 2023 Curriculum Handbook which is available to download from the school website under 'publications'
- Visit the GHS Careers Website www.geelonghscareers.com and complete interests quizzes, your resume, explore pathway options from a GAP year, Universities, Apprenticeships and TAFE
- Keep your options open (your ideas could change in the next year or two)
- Select a range of subjects (Arts, English, HAPE, Humanities, Japanese, Maths, Science, Technologies)
- Select subjects which interest you and you succeed at
- Select subjects which are important for your preferred career path
- Consider a VET subject outside of the school, School Based Apprenticeships or VCAL
- Consider accelerating into doing VCE units 1 and 2 subjects when you're in Year 10. If this is something that interests you, you must complete '**VCE Accelerated**' paperwork before the Course Counselling day and have an interview with Mr Gemmill BEFORE your interview.

Choose your course! Although you have to do 12 units throughout the year, some are compulsory and have been selected for you.

	Subject type	Subject Name
1	English	Year 10 English/English Advanced
2	English	Year 10 English/English Advanced
3	Maths	Advanced, Core or Foundation
4	Maths	Advanced, Core or Foundation
